Stage Intro

Cassandra Worthy is Founder & CEO of Change Enthusiasm® Global, a well-respected Leadership Development and Consulting company. She is a former Fortune 100 Innovation Leader, highly dynamic speaker & presenter, chemical engineer, but above all else the world's leading expert on Change Enthusiasm®.

Through her corporate experiences, she has not only endured but THRIVED during major change challenges including acquisition and significant organizational restructure. This endurance was thanks to the creation and cultivation of her strategy of Change Enthusiasm®.

In her dynamic keynotes and workshops, with wit and infectious energy, she now teaches this unique strategy with world-class business leaders across any and every industry, from CPG to Retail to Insurance to Healthcare...just to name a few.

Cassandra is a two-time TEDx speaker, sharing her authentic message of resilience to millions all over the world.
